Principals News

Dear Parents, Carers and Families

A warm welcome back to all our students and their families. Week 1 at Ludmilla Primary has been a very short and gentle re-entry to school. A special welcome to all our new students and their families that have joined our school. The students have enjoyed sharing their holiday experiences with their friends and teachers and having the opportunity to write about what they got up to during the holidays.

Ludmilla Refurbishment and Upgrade

Yesterday the Minister for Education Selena Uibo visited the school to celebrate the commencement of the works for our upgrade. Our two school captains Felix Bender and Tarni Date represented all our students by welcoming the Minister and answering questions about our upgrade and the school. Minister Selena Uibo was impressed with the scope of works and the design plans for our classrooms and new Ludmilla Early Education Precinct. Minister Uibo visited all classes and was thrilled to have a chance to be with students and in a classroom again.

The upgrade has meant that our front office and administration wing has been temporarily relocated to the back of our 'Great Shed' to what was previously known as the Multi-Purpose Room. However, it is business as usual and the Front Office will be open 8.00 am – 4.00 pm Monday to Friday, phone: 8983 7888.

Sports Day

The school is preparing for another much anticipated and loved event, our School Sports Carnival. Our children are busy practicing their running, high jump, long jump, shot put and discus. Children have already started earning points for their teams, Black Cockatoos, Red Rosellas and Purple Parrots. This year our School Sports Carnival will be held on Friday 10th August. All families are welcome and we will have a BBQ and drinks available to purchase on the day.

School Uniform

It is an expectation at Ludmilla that all students are in full uniform each day. An important part of this is the **school hat**. This is especially important as many of our shade structures were destroyed in cyclone Marcus and we are still waiting on them being repaired. Hats cost just \$8 and can be purchased from the Front Office.

Class newsletters

Over the coming week classroom teachers will be sending out their class newsletter which will give parents and carers an overview of the learning that will be covered this Term, routines and expectations and also additional programs and opportunities that your child/ren will be engaged in. Please read these letters and make sure you contact the school or your child's teacher if you have any queries or need additional information.

Kind regards

Carol Pulica

Assembly Awards
