Principals News

Dear Parents, Carers and Families

We have just one week left of school before the end of Term 3. It has been a very productive and rewarding term, with the children engaged in a range of exciting and challenging learning opportunities.

BEAT

The praise for Ludmilla Primary's contribution to the BEAT 'Ignite' performance has continued to flow in. I continue to get emails that celebrate our dancers and everyone that has attended the BEAT have said how our students were a favourite each and every night. Our BEAT choir performed on the Thursday night and their teacher Sian Edeson was very proud of how well they performed. Commenting that our choir *just keeps getting better*. Our dancers performed all three nights, a very big commitment from such little people. This year Sian Edeson was the choir teacher and the dance teacher. Her daughter Ningie helped with the choreography and gave up her free time to help the students learn their dance. Thank you to all the teachers that gave up their evenings to make sure each performance went smoothly and was such a great success. In particular thank you to Jan Henschke, Sian Edeson and Ningie.

Swimming Early Childhood

Transition Hughes and Year 1/2 Henschke have been engaged in the first week of swimming lessons. The school is fortunate to be able to access the pool at the Darwin Language Centre. This year the program is being run by the team from *Royal Life Saving*. Swimming is an essential life skill and the school is committed to supporting all students to acquire basic water safety skills.

Batchelor Outdoor Education Camp

Our Year 4, 5 and 6 students are currently at Batchelor Outdoor Education Centre for our school annual camp. The students are engaging in various outdoor challenges, building their skills to work collaboratively and strengthening the bonds of friendships. I am heading down this afternoon to spend the night and take part in just some of the fun. The children are heading out to Litchfield today so I am looking forward to hearing all about it.

Poetry Slam

Next Wednesday will be our final event as part of our Literacy and Numeracy celebrations. 'Poetry Slam', is an evening that highlights the theatrical and poetic talents of our students. Poetry is a powerful way for our students to understand that words can paint a picture, inspire emotions and connect with the reader or audience. An opportunity to be creative and wonderful with words. Poetry Slam will be held in Ms Bannister's room on Wednesday 26th September; 4pm – 6pm.

School Holidays

For the first time we will have a two week term break. I wish all students and families a safe and happy holiday and look forward to students returning for Term 4 on Monday 15th October.

Kind regards
Carol Putica

ASSEMBLY AWARDS

Ms. Kaye	Kora Riordan: Helping others to problem solve in the Preschool. Parker Dickerson: Fantastic effort with being Kind and caring to others.
T/I Caroline	Mason Meng: What an amazing improvement in your story writing. I love your "Good Kitty" story. RJ Willis: Wow! What spectacular stories you are writing RJ. You add lots of information and

Stage 1 Ludmilla Primary School Upgrade

Developing children's social and emotional skills through play

- Play is a way children can express their feelings even before they have the words to say how they feel.
- In play children are in charge of what they do. Being in control in play helps them to learn to manage their feelings.
- When children make or build things in their play, they are building skills and confidence in themselves.
- In play children learn about the give and take of relationships with their friends. They learn to lead and follow and to care for others.
- Play helps children to think about what they want to do, to plan and to be patient.
- Through play children learn how to mend mistakes and to feel better after things go wrong.
- Indoor and outdoor play helps to reduce children's stress.
- Play is a way children make sense of their world and practise for their future of being mummies, daddies and workers.
- Play is for imagination and creativity. In play you can enjoy magical worlds of joy.
- Play is something children can own in a world where most things are organised by adults.
- Play is a time when adults and children can have fun together.
- Play is for pleasure. You play what you enjoy and you stop when you want to.

The program combines active games with structured and unstructured play, quiet time and a healthy snack. Every day is an adventure led by enthusiastic Camp Australia educators who are on a mission to make kids smile.
