Dear Families,

It has been exciting time at Ludmilla Primary, listening to speeches and students voting for School Captains, Sports Captains and the Student Leadership Council. I congratulate all candidates for the exceptional job they did in delivering their speeches and upholding the Ludmilla Way at all times. I am very pleased to announce the successful candidates for 2025.

School Captains: Darcy Matthews & Kora Riordan

Deputy School Captain: Grace Kerr

Student Citizen: Olivia Redshaw

Crocodiles House Sport Captains: Zoe Jeschke & Ashton LewFatt

Kangaroos House Sport Captains: Lucy Brown & Jett West

Student Leadership Council: Mia Reagan, Charlie Gray, Hayden Simmons

Kids as Teachers is next week, Wednesday 26th February. It is a fun night where students become teachers and families become students. Everyone is welcome and we will finish the evening with a community BBQ.

Swimming & Water Safety Education – Please return consent forms as soon as possible

Next week, our Year 4, 5 and 6 students will participate in a swimming and water safety education program run by Triple S Swim School.

The Northern Territory Government has committed to support free swimming lessons for all primary school students in years 1 to 6. \$3 million is being provided to enable Territory schools to deliver swimming and water safety lessons for all students in years 1 to 6. Learning how to swim and develop lifelong skills in water safety aims to reduce risk of drowning and injury.

This program begins on Monday, 24th February and finishes on Thursday, 27th February, 2025. We are still waiting on all permission notes to be returned, so please ensure that you have completed and returned you child's forms as soon as possible.

Carpark Safety

I am writing to remind all members of our school community to ALWAYS put Children's Safety first and drive slowly, carefully and respectfully in and around the car park at all times. When entering the carpark there is a maximum speed of 10 Kilometres an hour. There has been an increasing number of unsafe incidents that put our students at risk.

- Slow down immediately on entering the school
- Please do not park in the disabled carparks, we have families that need these spaces to get their children safely in and out of their cars and to school.
- Please do not park in the five minute only parks. If you need to get out of your car and collect your children, please park in a designated car space.
- Please don't park in the drop off only zones, this is very unsafe with drivers double parking and the risk of harm to our students increases.

Kind Regards

Dannielle Ford

Acting Principal

Delay

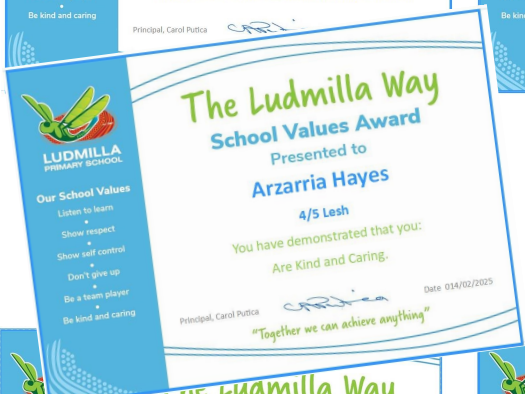

Delay is the monsoon season. The monsoon replenishes a dry thirsty land. Water gushes from rivers and creeks, and floodplains are buried under lakes of water. The water disperses seeds and new plants are sprouting. Manmanma, or cyclones, seem more frequent and are a sign of a troubled planet.

Assembly Awards

<p>T/1 Baker</p>	<p>Lily Ah Toy: Well done Lily on a fantastic start to Transition. You listen to learn and are enthusiastic about all activities. Byron Nevin: Congratulations Byron on a super start to Transition You listen to and show respect. Keep up the good work.</p>
