

Dear Families,

Welcome to a new school year at **Ludmilla Primary School**. We are excited to begin another year of learning, growth, and connection together.

At Ludmilla, we believe that strong relationships sit at the heart of everything we do: "Together We can Achieve".

When students feel safe, known, and valued, they can learn deeply and confidently. Our focus this year is on high-quality teaching, clear routines, and engaging learning experiences that support every child to thrive.

The first two weeks the school follows 'The Great Start Program', this program is designed to lay the foundations of what learning will look like in each classroom. It explicitly teaches the Ludmilla Way and our six school agreements. It also supports each child to understand the links between persistence, goal setting and a growth mindset to improve learning outcomes.

We value our strong partnership with families and the wider community and encourage open communication throughout the year. Your involvement, support, and trust make a real difference to our students' success.

Thank you for being part of the Ludmilla community. We look forward to a positive and productive year ahead.

Adam Dicks
Principal

Delay

Delay is the monsoon season.

The monsoon replenishes a dry thirsty land. Water gushes from rivers and creeks, and floodplains are buried under lakes of water. The water disperses seeds and new plants are sprouting. Manmanma, or cyclones, seem more frequent and are a sign of a troubled planet.

- WEEK 3
9th Feb- 13th Feb
Life Education, Healthy Harrold visit
- School Captain and Sport Captain voting
- School Assembly
Friday 13th Feb, 8am

- NAPLAN
11th-23rd March
- Harmony Day
Friday 21st March
- WEEK 10
Parent teacher interviews

Life Ed offers 12 purpose built, issue specific and age-appropriate primary school modules designed to engage, inspire and empower students. These modules are delivered face to face and cover a range of topics across the areas of physical health, safety and social and emotional wellbeing. The Life Ed program is designed to be integrated into the primary curriculum and all modules are all aligned to the [Australian Curriculum](#) Health and Physical Education Learning Area and other Learning Areas and General Capabilities.

Visiting Ludmilla Primary Week 3, Monday 9th Feb—Friday 13th Feb.

WELCOME

LUDMILLA PRIMARY DEFENCE SCHOOL MENTOR PROGRAM

Defence School Mentor Program
The Defence School Mentor Program is delivered in partnership with schools to support the wellbeing of children of ADF members. The program connects children with their school community and enhances the school's ability to address the impacts of the military lifestyle.

The program has 4 objectives:

1. Provide families with information about the school environment and the support available relevant to their child's development needs.
2. Support children to access school based social and emotional support, aligned to school policies.
3. Facilitate opportunities for children to build relationships and connections through events and other initiatives.
4. Raise awareness amongst the school community about the impacts of the Defence lifestyle on children and families.

Our Defence School Mentor is Ms Vanessa Schiller.
At Ludmilla Primary we understand the challenges of military life and the Defence Mentor is here to help support your child through their school journey. Our focus is to provide a welcoming, secure and consistent environment for your child at school. Programs and support will change depending on the current environment and each student's needs. We encourage you to please reach out if there is any way we can help further support your child.
