Thursday 14th May

Dear Families and Carers,

Wow! What a Term! Thank You so much for welcoming me into Ludmilla School, it is wonderful to reflect on the many opportunities our students have embraced.

From the creativity on display in our student lead Lego and Colouring-In competitions, to the joy and confidence shown through Choir, Circus, Kitchen Garden Program and Indonesian, our students continue to shine across a range of experiences.

A highlight of the term has been the commitment shown by our students during NAPLAN, demonstrating resilience and a strong approach to learning. Behind the scenes, our staff have been investing in ongoing professional development to strengthen teaching practices and ensure continued growth for every child.

We also paused to acknowledge the significance of the Bombing of Darwin, supporting our students to understand and respect this important moment in our local history. Our Kids as Teachers Night was another standout, showcasing student voice and leadership.

As we head into the Easter break, I would like to thank our families for their ongoing support. We look forward to returning refreshed for Term 2, with a pupil-free day on Monday 13th April, and welcoming students back on Tuesday 14th April.

Wishing all our families a safe and happy holiday.

Adam Dicks
Principal

Assembly Awards

<p>T/1 Ms Gemma</p>	<p>Baya Badanski: For showing a brave and caring voice in our classroom. You stand up for yourself and other, helping everyone feel included. Jayden Bading: For showing a huge improvement in following the routines of the class. Keep it up!</p>
<p>T/1 Gilder</p>	<p>Frankly Reagan: For excellent work in math's breaking numbers into tens and ones. Hudson Salamito: For great work sounding out and reading words in Read Write Inc.</p>

You have started using the writing checklist well to include correct punctuation, and your handwriting is beautiful. Keep up the great work, Kathalia! Stella Li: You have been working hard on editing your writing using correct punctuation and capital letters. Your neat handwriting and presentation make your work a pleasure to read. Keep up the fantastic effort.</p>
<p>6 Batten</p>	<p>Lenisha Yames: For your enthusiasm and effort during Math's, especially when using problem solving strategies. Well done Lenny! Randy Nguyen: For your willingness to try new strategies in Math's. Always positively listening to feedback. Well done Randy!</p>

Ludmilla way Awards

Harmony Day 2026

Ever wondered what's actually living along Ludmilla Creek? Join us for a weekend of discovery 🌿

Registrations are now OPEN - join the Citizen Science BioBlitz!

Work alongside local scientists to spot, record and learn about the incredible wildlife right here in Darwin - from birds and bats to frogs, reptiles and more. It's part science, part adventure - and open to anyone with a bit of curiosity (no experience needed). Bring the kids, bring your sense of wonder, and see the creek in a whole new way.

📅 Sat 11 - Sun 12 April 2026 with morning, afternoon and evening sessions available.

📍 Base Camp at Ludmilla Primary School will be a hub for registration, microscopes, specimen viewing, camera trap footage and sharing discoveries.

♻️ A range of surveys and child-friendly events to cater to everyone.

👉 DETAILED SURVEY INFORMATION & REGISTRATION HERE:
