

Dear Parents, Carers and Families,

It has been an exciting time at Ludmilla Primary, listening to speeches and students voting for School Captains, Sports Captains and the Student Leadership Council. I congratulate all candidates for the exceptional job they did in delivering their speeches and always upholding the Ludmilla Way. As I settle into the new role I am reminded daily of the strength in the School Culture at Ludmilla School.

Healthy Harold visit in Week 3 was a success, I was lucky enough to meet Harold personally on a few occasions as he taught the students of Ludmilla about making healthy choices. It has been many years since the last Healthy Harold visit, please share any feedback from students or parent interactions for future visits.

School Council meeting was held on Monday 16th, thank you to all the members and guests who attended. As we continue to improve as a school it is very important that we have parent voice at the forefront of our decision-making process. We have set the AGM for the 2nd of March at 5:30pm. We would love to have more parent members, but if you cannot commit to being a full-time member then please feel free to attend as a guest.

Bombing of Darwin Commemorative Service is on Thursday 19th at the Cenotaph, Bicentennial Park on the esplanade. It is our first major event for our Student Leadership Council to attend and represent Ludmilla School. I am looking forward to the event that commemorates 84 years since the bombing of Darwin.

Thank You to everyone welcoming me, please make time to say hello, and share any thoughts or ideas with me, on how we can support your child.

Dalay

Dalay is the monsoon season.

The monsoon replenishes a dry thirsty land. Water gushes from rivers and creeks, and floodplains are buried under lakes of water. The water disperses seeds and new plants are sprouting. Manmanma, or cyclones, seem more frequent and are a sign of a troubled planet.
