WEEK 10

Parent teacher interviews

Dear Families,

Thank You everyone for a fantastic start to the 2026 School Year, Week 7! Wow, time flies when you are ... being engaged in the great programs at Ludmilla School (and having fun). Last week the Ludmilla staff updated their CPR and First Aid training, we want to build our capacity in all areas to make sure we deliver the strongest and safest programs we can. This week School Council held our AGM, followed by a general meeting. Very exciting to have new members, and I know they will support the school to make great decisions. Please feel free to attend as a guest, at our next meeting, 27th April 2026.

Kids as Teachers

Very impressive! Thank You to all the Students (parents), and all the Teachers (Kids), it was a wonderful night. I was particularly impressed with the in-depth knowledge that the students showed about what they are learning and how they learn. Thank You to the staff for setting up your rooms and creating a welcoming atmosphere. The school culture was evident at the BBQ; Mr Karl did a fantastic job and was supported by several sous chefs over the night from the community.

Swimming

Swimming lessons commenced last week for our Year 4,5 & 6 students. I had the opportunity to see a small part of the program, and yet again I am impressed with the students at Ludmilla School. Following instructions and giving their best in all aspects of school life. Well done to all involved.

NAPLAN

Commencing this week and the following week all students in Year 3 and 5 will be engaged with NAPLAN assessments. All students are well prepared, and we are expecting the week to run smoothly. The school has been talking to the students about the need to keep good healthy routines, including making sure they go to bed early each night, eat a good breakfast and drink lots of water. To support the students, the school will provide a hot breakfast on Wednesday, Thursday, Friday and Monday and Tuesday of the following week.

A reminder to all families that if your child is late, they must collect a late note from the front office before going to their classroom and if your child is away, please call the front office to let us know. *Good attendance* is the first step for each student becoming a successful learner.
